The Honorable Tom Cole
Chairman
Committee on Appropriations
H-307, U.S. Capitol

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Robbinsville, NC Water System Improvements project in fiscal year 2025. The entity to receive funding for this project is the Town of Robbinsville, NC, located at 4 Court St, Robbinsville, NC 28771. This project request will provide for infrastructure improvements to the water distribution systems serving the Town. This project specifically replaces older and deteriorated water lines with significant water leakage and low residual pressure.

This project is a good use of taxpayer funds because it repairs and upgrades the utility system, providing drinking water and fire protection to the citizens of the Town of Robbinsville and surrounding areas of Graham County.

This project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Chuck Edwards
Member of Congress
