The Honorable Tom Cole
Chairman
House Committee on Appropriations
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
Washington, D.C. 2051

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Town of Clyde Public Works Facility for the Town of Clyde in Fiscal Year 2027. The entity to receive funding for this project is the Town of Clyde, located at PO Box 386, Clyde, NC 28721.

The funding would be used to construct a consolidated Public Works Facility outside of the 100-year floodplain. The Town's two existing maintenance shops were substantially damaged during Hurricane Helene and were located within the 100-year floodplain, making them vulnerable to repeat disaster-related losses. This project will replace both damaged facilities with a single, modern, resilient Public Works Facility located outside of the floodplain. The new facility will ensure uninterrupted essential services, improve emergency response capacity, reduce long-term recovery costs, and strengthen community resilience against future disasters.

The project has a federal nexus because the funding is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chuck Edwards', written over a horizontal line.
